

# SUMMER ACTIVITIES IN MADRID

In the summer, the Madrid Tradicional Taekwon-do Association and his instructors continue with a lot of activities.

The first one, Alejandro Veysiére (IV Dan) y Francisco Espeche Arcorace (III Dan) moved on the 23th of June to Benalmadena, Malaga, to made a Master Class of competition sparring, training, strategy and tactic aspects. This meeting took place in the sport complex of the Municipal Sports Patronage of Arroyo de la Miel. Also collaborated Maximiliano Montiel Giammarini (I Degree) and his students.

The second one, the AMTT continued with the formation activities, Gabriel Leske (I Dan), who live in Palma of Mallorca, travelled to Madrid at the end of September to participate in eight hard and intensive work training sessions with Alejandro Veysiére. In this time all the technical and competitive aspects of taekwon-do were treated. In this way, the work of patterns, different type of model sparring, special and power techniques, competition sparring, tactic and strategy, personal defence, teaching methodology and promotion of taekwon-do and much more. Also, Gabriel Leske participated in the special training sessions of Carlos Martin, FITE President, where also came other instructors of the AMTT. Also Gabriel Leske was invited to the Francisco Espeche Arcorace Classes, and he could practice with all the Madrid Taekwon-do practitioners.

To close the summer activities the high belts of Madrid made several training sessions to work and investigate the technical aspects of the black belt category, and to analyze all the knowledge after the participation in the last International Seminary of Grand Master Choi Jung Hwa, in Napoli (Italy), where they came the last may.

Alter the holidays, the Madrid students return to work in the first days of September, a good number of students in class and a lot of illusion in the next season. To make this possible the instructors, students and competitors of the AMTT assumed to participate in the next National FITE Congress 2005 and the selective trainings to made the nationals team.
