

THE END OF A CYCLE

Nineteen years after their arrival to Madrid, the president of the International TKD Federation Spain, Mr. Carlos E. Martin, concluded his stay in the capital of Spain. A stage full with satisfactions and progresses for the F.I.T.E and its maximum representative; who leaves events so outstanding behind; as the organization of two international tournaments, local and national tournaments, courses, seminars and a long list of activities that inspire his satisfaction.

For that reason, some of their students didn't want to allow to pass the opportunity to entertain the president with a friendship dinner where they could remembered diverse moments lived in the mentioned period. The night had the emotive moment when the students awarded Mr. Martin with a commemorative present, where they appreciated the teachings transmitted during so many years. Mr. Martin expressed his gratefulness for so felt homage, and he manifested his desire to continue with their evolution and not to lose the contact.

His destination, locates the new FI.T.E operation center, in the city of Santa Cruz of Tenerife, where the members of the ATIC, through its president Mr. Diego Bua, hopes to continue collaborating with more emphasis in the continuous growth of the Federation.
